### Senior People Coffee Mornings

We have held and provided transport for our first coffee morning. It was interesting as this group of people from different parts of our area had definite ideas on how they want to spend their time with us. Therefore as TARA had already got games we will be entertaining them again on Wednesday the 9<sup>th</sup> March when besides providing coffee and cake we will be indulging in card bingo and dominoes.

The group who attended welcomed the idea of going on a short trip to a garden centre for lunch, celebrating the Queen's birthday with a strawberry tea and a Christmas outing.

I have also spoken with Mark with a view sharing funding to assist the continuation of the young from Enthusiasm helping at Handyside Court.

The transport is provided by DoortoDoor as their vehicles are adapted for wheelchair users and can take up to 15 passengers.

Also we involved Derby Homes, Local Area Co-ordinators and TARA.
