# SCHEDULE 1

## Priority 2 – Improving Life Skills

### Activity 3a – Mentoring

#### Aims

The Enthusiasm Trust will deliver mentoring support for young people who are deemed to be most at risk of offending and exclusion according to a range of indicators. They will be identified by the Enthusiasm team or referred to them by Police safer neighbourhood teams, Council Neighbourhood Teams or other partner agencies. The young person will have a dedicated worker to support them, challenge them and equip them to change their thinking and behaviour. Each individual will be formally assessed with an action plan developed in partnership with relevant agencies. This action plan will lead to a multi-faceted package of diversionary activities designed to challenge underachievement, antisocial behaviour, offending, and related forms of abusive lifestyle and will address the risk factors highlighted during their assessment. The Enthusiasm Trust will participate in joint working to tackle these risk factors and other issues such as substance misuse, aggression, poor behaviour, truancy and so on. Regular reviews will be built into the work with the individual to ensure that they are making progress and that we are reducing the risk factors associated with their offending or antisocial behaviour.

A minimum of eight young people will be supported over the period of this agreement. This will depend on the complexity of needs that the young person is facing. When a young person is deemed to have reduced their risk factors sufficiently and is making good progress, they will be 'exited' from the programme and another young person will take their place. Therefore it is highly likely that four young people will benefit during the period of this agreement. Enthusiasm has a clear assessment model that they use for all the young people they mentor to assess their needs. This falls into three categories, low, medium, and high. Allenton Big Local will receive feedback via the management reporting system.

Young people who will be mentored through ABL funding will receive:

- A minimum of one hour per week, one-to-one positive intervention with their assigned mentor.
- In addition to the above, young people will be actively encouraged to take part in other positive activities that Enthusiasm runs on a weekly basis such as football workshops, street performance workshops, various youth clubs etc.
- Working in partnership with Derby Homes, various volunteering opportunities will be made available to young people, under their new volunteering programme.
- All young people Enthusiasm works with are supported and encouraged to be a voice in their communities, through membership to Derby City Council Voices in Action and, if living in Derby Homes properties, they can also attend Junior Wardens. Their mentors will support them through this membership process.
- Assessments and action plans will be completed with their mentors and reviewed on a regular basis to help reduce individual risk factors.

#### Outcomes

The Allenton Big Local outcome for this activity is: Young people fulfil their aspirations and dreams through being provided relevant opportunities.

Enthusiasm expect the following outcomes from this activity:

- A 40% reduction in the risk factors of the mentored young people which means a reduction in their risk of future re-offending. This is measured in terms of distance travelled from their initial assessment scores around issues such as offending, health, attitudes, living arrangements - with a view to these scores reducing over time through our various interventions.

- A 70% improvement in confidence and self-esteem - as measured by assessments with each person at start, review dates and end of support.
- At least 50% progress to employment, volunteering, education or training - measured by monitoring positive outcomes at the end of mentoring support and after 6 months.

**TIMESCALES**

This agreement covers the 24 month period from April 2017 and relates to mentoring for young people activities already being delivered by Enthusiasm on behalf of Allenton Big Local as part of its agreed delivery plan. The activity will be subject to an annual review and monitored through quarterly reporting.
